

## 2011 Australian Elite Junior Diving Championships

More than 70 athletes from across Australia are hoping to make a winning splash at the 2011 Australian Elite Junior Diving Championships this weekend.

The new SA Aquatic Centre in Marion will be hosting its second major event this month following the success of the national short course swimming championships held there two weeks ago.

The divers, including a nine strong contingent from South Australia, will be competing for the national titles across 22 events from Friday 15 July to Sunday 17 July 2011.

There will be three separate age categories, ranging from age 13 through to 18-years-old, in addition to a Talent ID competition for juniors aged eleven and under.

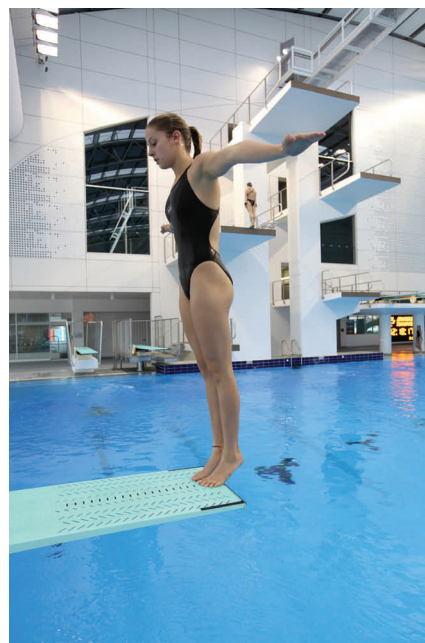

SASI head diving coach Mike Martens is expecting a tough but exciting few days.

“There will be a lot of kids there trying to make the national squad,” he said.

The competition is open to spectators and will kick off with a short ceremony at 9am on Friday and runs through until 6pm on the first two days, with a 5pm close on Sunday.
