

SAILING HIGHLIGHTS FOR THE WEEK ENDING 17 NOVEMBER 2006

National Coach visits Adelaide

National Laser Class coach **Arthur Brett** last week and ran a training weekend for the SASI Sailing program scholarship holders. The training was at Adelaide Sailing Club, West Beach. The weekend had a focus on starting strategy and skills. Arthur Brett was last here in March for the Adelaide International Regatta Series. Arthur was very happy with the progression of our SASI scholarship holders, as they are technically very sound and showed very good boat handling. A number of other sailors from the region were also able to attend and gained Arthur's expertise.

SAILING HIGHLIGHTS FOR THE WEEK ENDING 9th JUNE 2006

Holland Regatta

SASI scholarship holders and National Sailing Development Squad members, **Dylan Clarke** with his crew **Ayden Menzies** have arrived in Holland for their first winter in Europe. These sailors have just completed one of Europe's major events, the 'Holland Regatta' and finished in 40th position. The conditions that they faced during the event were 10DegC air temperatures and 25 knots of winds. This was their first event after picking up their new boat from Germany arriving in Europe for their summer racing season.

Clarke and Menzies plan to also compete in the European Championships next week in Kiel Regatta, Germany and the 470 class Junior World Championships also to be held in Germany. After these events Clarke and Menzies will return home to continue preparing for the Open World Championships which will be held in Rizhao, China in August.
